

Public Access to Instructional Materials

In accordance with [Section 1006.283 \(2\)\(b\)\(8\)\(a\), Florida Statutes](#), “District school board rules must also establish the process by which instructional materials are adopted by the district school board, which must include a process to allow student editions of recommended instructional materials to be accessed and viewed online by the public at least 20 calendar days before the school board hearing and public meeting. This process must include reasonable safeguards against the unauthorized use, reproduction, and distribution of instructional materials considered for adoption.” Please use the table provided below to find the SLPS K-12 Science Adoption Committee Selections public access options.
