Track 1: MIE Advanced Educator
Leaders of Innovative Technology (#LITSLPS)
Igniting a spark throughout our district by infusing technology instruction in classrooms.

Focus: Technology integration in the classroom
Goal: MIE Certified by the end of the school year

Being a part of the #LITslps Track 1 cohort will require the following commitment:
Participate in 7 virtual PLC's to learn more about the different Microsoft applications and how to engage learning for all students. Each session will involve roughly 1-hour commitment. We invite everyone to come prepared to engage in collaborative experiences related to the pre-session activity.
This track leads to the MIE Trainer and Expert tracks. The 7 sessions include:

- **September 4, 2024 @ 7:00 PM - Level Up with Microsoft 365 and Windows**
  - Educators completing this course will have a greater understanding for getting started with Windows, customization, accessibility, digital ink, apps, and the Edge browser.
- **October 9, 2024 @ 7:00 PM - The Inclusive Classroom**
  - Every student is unique with different strengths and abilities. Microsoft provides various learning tools to help personalize learning experiences, thus empowering students to access and engage with the content being taught.
- **November 13, 2024 @ 7:00 PM - Transforming Learning with Microsoft Teams**
  - Use technology to create, adapt and personalize learning experiences that foster independent learning and accommodate learner differences and needs.
- **January 8, 2025 @ 7:00 PM – Canva**
  - In this session, we will talk about the basics of Canva and its capabilities, how you can use all of its features effectively, and the best ways to make creativity shine in your classroom.
- **February 12, 2025 @7:00 PM - Create Authentic Assessments with Microsoft Forms**
  - With Microsoft Forms, you can create surveys, quizzes, and polls, and easily see results as they come in. As results are submitted, you can use built-in analytics to evaluate responses.
- **March 12, 2025 @ 7:00 PM - Flashy and Fierce Presentations with PowerPoint**
  - Morph your PowerPoints into fierce presentations with all new features. Screen recording, Slide assignments, researcher, designer, and more. Your presentations will never be the same.
- **April 9, 2025 @ 7:00 PM - Getting Started with OneNote**
  - OneNote is your digital 3-ring binder with sections and pages and easy navigation to keep you organized from anywhere. With OneNote across all your devices, you'll never miss a flash of inspiration.
