

Track 2: MIE Trainer or Master Trainer *Leaders of Innovative Technology (#LITSLPS)*

Igniting a spark throughout our district by infusing technology instruction in classrooms.

Focus: Technology leadership throughout the school
Goal: MIE Trainer Certified by the end of the school year

Being a part of the #LITslps Track 2 cohort will require the following commitment:

- Complete the Trainer Learning Path offered by Microsoft by the end of the school year
- Participate in virtual PLC's to learn more about technology and how to successfully deliver PD. The sessions are divided into two cohorts, Classroom Teachers and Non-Classroom Teachers.

DATES	CLASSROOM TEACHER COHORT	NON-CLASSROOM TEACHER COHORT <small>*FAST TRACK</small>
9/4/24 @ 7:00 PM	Welcome and Expectations	Welcome and Expectations Fast Track to Training
10/9/24 @ 7:00 PM	Professional Learning Deep Dive	Delivering Engaging PL
11/13/24 @ 7:00 PM	Solidify PL Opportunities	Check ins, Reflections and Next Steps
01/08/25 @ 7:00 PM	Check ins, Reflections and Next Steps	

- Follow up will be provided based on your submitted PL plan to move forward with your on-campus trainings.
- To become a Microsoft Trainer, you are required to train at least 100 people by May 20th.

Examples of how training can be delivered based on your school needs:

- "Take Back Tuesday" format where they share an application and how to use it in the classroom for instruction, so teachers can easily implement in their classroom.
- School wide staff meeting where an application is shared with the entire staff.
- Early release day(s) (PL day Feb 5th & Teacher PL day Feb 26th) -provide learning opportunities to all staff during the afternoon.
- Professional Learning Day (if ready) November 5th - provide a Microsoft training opportunity to whole staff or offer 2 sessions during that day to include all teachers.
- **March - Check in to see how training is progressing and next steps.**
