Agenda Item #43

Title

The Children's Home Society -Garden City Annex-Facilities Use Agreement for 2013-14

Description

The attached lease agreement with The Children's Home Society renews the original lease approved in August 2008. The Lease Agreement is cost neutral with utilities paid for as outlined. By having the building occupied, it prevents the School District from providing the utilities and having to check on building security.

Recommendation

The Superintendent recommends the Board approve the Lease Agreement as presented and attached.
