

August 13, 2013 Regular Meeting  
Agenda Item #41

Title

Kids Connected By Design, Inc Garden City Annex-Facilities Use Agreement for 2013-14 (Revised)

Description

The attached lease agreement with Kids Connected By Design renews the original lease approved in April 2009. The Lease Agreement is cost neutral with utilities paid for as outlined. By having the building occupied, it prevents the School District from providing the utilities and having to check on building security.

Recommendation

The Superintendent recommends the Board approve the Lease Agreement as presented and attached.
