

Navigating the Dental Provider Directory

Here's how to find the dentist that best meets your needs:

- Go to www.bcbsfl.com and click **Find a Doctor and More** found in the navigation bar along the top of the page.
- In Step 1, go to **Doctor Type** on the second line and select Dentist.
- Once you click Dentist, a shaded area appears listing **Type of Dentist** and Doctor's Name.
- From the drop-down menu under Type of Dentist select the dentist or specialist of your choice.
- Next, go to Step 2 and choose your dental insurance plan from the drop-down menu under **Plan**. This information is available on your BlueDental ID card. Selecting your plan ensures that your search will only list providers who are part of your plan's network.
- Next, go to Step 3 and narrow your selection by Zip Code/Distance, Street/City or County and click Search.
- If you'd like to narrow your search even further, click **More Search Options** in Step 3. This feature will allow you to narrow your search for a dentist based on age, gender and other attributes.

Questions? Need help finding a dentist in your area? Our BlueDental Customer Service Associates can help. Just call (877) 203-9921 or find us online at www.bcbsfl.com.

Networks are comprised of independent contracted dentists.

Florida Combined Life Insurance Company, Inc., is an Independent Licensee of the Blue Cross and Blue Shield Association and an affiliate of Blue Cross and Blue Shield of Florida.
