SUPERINTENDENT'S UPDATE

36. [Reports/Comments](#)

Minutes:

Deputy Superintendent Sandra Wolfe called on Executive Director Marty Sanders to describe planning stages and safety precautions that were implemented to protect students, staff and facilities during unexpected rainy weather experienced on August 27, 2012 due to a rogue band of stormy weather that separated from Tropical Storm Isaac and hovered over the Treasure Coast. Board members were extremely proud and grateful for Mrs. Wolfe's leadership and the efforts of all employees who went above and beyond to safely return children to their homes.

In light of her upcoming retirement at the end of the week, Mrs. Wolfe wanted the Board to know that since she had come to St. Lucie County School District 15 years ago, she had experienced the most rewarding time of her life and she thanked everyone from the bottom of her heart for their support. Mrs. Wolfe said in her heart she was a principal and she would miss them the most but would never lose any sleep because they are who they are and she had tremendous respect for them and for the entire district leadership team. Teachers also held a special place in Mrs. Wolfe's heart for they are the true heroes, they are the ones who shepherd, encourage, and move

children to become successful.

They greatly appreciated the professionalism that district staff exhibited during Tropical Storm Isaac. Individually, board members reminded Mrs. Wolfe that she will always be part of the [school district] "family" so even though she's leaving the district, she won't be leaving the family. Her legacy will live on in those she has mentored and inspired during her 40 years in education. Thank you Mrs. Wolfe, from the bottom of our hearts!
