TO THE PARENTS OF _____:

From time to time students begin to develop school habits that can lead to more serious problems. I like to notify parents of this change as early as possible in order to remedy the situation before it progresses.

The incidents of which I am speaking of are listed on the back of this letter and are becoming more serious. I have made the appropriate interventions and would appreciate you discussing the matter at home with your child to see if we can improve the situation before further consequences are needed.

Please use the box below to provide current contact number(s). If, for any reason, a fourth intervention occurs, a student discipline referral will be generated.

Thank you for your cooperation.

Please return this form to me with your signature so that I may be certain you have seen it. Include any comments you wish and if you would like to discuss this with me please contact the school at (772) 468-5700 Ext. _____. The best time to call is _____.
