Discontinuation of Special Dietary Accommodations for Meal Modifications

School Year 2022-2023

Child Nutrition Services is committed to serving our students nutritious meals each day, including those students who require meal modifications to meet medically diagnosed or special dietary needs. To help us better meet the dietary needs of all students it is important we are notified as soon as possible of any changes to the students' special dietary needs. Please complete this form and return to the Cafeteria Manager at your child's school for Child Nutrition Services to make changes. **Physician's signature is required with this form.**
