Circle the hazardous occupation(s) for which the exemption applies:

- On any scaffolding, roof, superstructure, residential or nonresidential building construction, or ladder above six (6) feet
- In the operation of power-driven woodworking machines
- In the operation of power-driven metal forming, punching, or shearing machines
- Slaughtering, meat packing, processing, or rendering except as provided in 29 C.F.R. part 570.61(c) which includes meat slicing machines.
- In the operation of power-driven paper products and printing machines
- Excavation operations which include the operation of trenchers and earthmoving equipment
- Working on electric apparatus or wiring
- Operating or assisting to operate: (including starting, stopping, connecting or disconnecting, feeding, or any other activity involving physical contact associated with operating) a tractor over 20 PTO horsepower, any harvesting, planting, or plowing machinery.
- Fork Lift (Only in an agricultural setting or with non-FLSA covered employers)

Note: The USDOL does not allow an exception for student learners in Hazardous Occupation #7, which covers the operation of power-driven hoisting apparatus in non-agricultural employment. Other equipment not permitted includes derricks, hoists, and cranes. Employers may contact the USDOL at 1.866.487.2365 to verify their coverage under the FLSA (Fair Labor Standards Act). OSHA also requires all fork lift operators to have completed an OSHA approved training course prior to working.

In accordance with Section 450.061(2) F.S., the undersigned attests to the following:

- (1) That the student learner is enrolled in a youth vocational training program under a recognized state or local educational authority.
- (2) That the work of the student learner in the occupation declared particularly hazardous is incidental to the training received.
- (3) That the work performed shall be intermittent and for short periods of time and under the direct and close supervision of a qualified and experienced person.
- (4) That the safety instructions shall be given by the school and correlated by the employer with on-the-job training.
- (5) That the student has a schedule of organized and progressive work processes to perform on the job.
