

Parents: Please complete this short check each morning with your child or children before sending them to school.

## SECTION 1: Symptoms

Does your child have any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others? Please check your child for these symptoms.

Yes	No	Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
Yes	No	Sore Throat
Yes	No	New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
Yes	No	Diarrhea, vomiting, or abdominal pain
Yes	No	New onset of severe headache, especially with a fever
Yes	No	Other symptoms such as congestion or runny nose, muscle or body aches or shortness of breath or fatigue, loss of taste or smell
Yes	No	Fever or flushed cheeks, fatigue, extreme fussiness, chills, shivering, sweating, not eating drinking or change in behavior

**If the student/parent/caregiver answers YES to any of the above questions in Section 1, the student must stay home until symptom-free for 24 hours without fever reducing medications. Continue to Section 2.**

## SECTION 2: Close Contact/Potential Exposure

Yes	No	Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19
Yes	No	Traveled to or lived in an area where the state health department is reporting large numbers of COVID -19 cases

**If answered yes to any of the above questions in Section 2, the student should see health care provider for possible testing.** the student should be referred for evaluation by their healthcare provider and possible testing. **The student must stay home.**

**Students diagnosed with COVID-19** without negative test results **must stay home**, isolate themselves from others, monitor their health, and **follow directions** from their state or local health department.

Students who are excluded from school should be afforded the opportunity, as soon as feasible when they are well enough to participate in classwork, to make up any missed classwork without penalty in order to reduce mental or physical anxieties about missed academic opportunities.
