# 2021 Education Foundation Scholarship Awards

HOSTED BY ST. LUCIE PUBLIC SCHOOLS

The St. Lucie County Education Foundation offers a variety of scholarships to senior students graduating from St. Lucie County public high schools. These scholarships assist students with pursuing post-secondary education goals.

The Education Foundation is a non-profit association whose mission is to promote, encourage, and recognize excellence in public education, by providing student scholarships, teacher and school grants, and teacher and employee recognition. With the support of many local organizations and individuals, the Foundation can ease some of the financial burdens of educators and schools in furthering student education.
