March 3, 2023

Dear Publisher,

St. Lucie Public Schools has begun the instructional materials adoption process for **Social Studies**. The review committees and course codes are listed in the table below. Elementary and Middle School are each a combined grade level course call. Products must be presented as a full K-5 or 6-8 program. High school instructional materials may be submitted for each individual course.

Elementary	Social Studies Grade K 5021020, Social Studies Grade 1 5021030, Social Studies Grade 2 5021040, Social Studies Grade 3 5023050, Social Studies Grade 4 5021060, Social Studies Grade 5 5021070
Middle	M/J World History (2109010, 2109020) M/J Civics (2106010, 2106016, 2106020, 2106026) M/J United States History (2100010, 2100015, 2100020, 2100025)
High	World History (2109310, 2109320) United States History (2100310, 3100320) Economics with Financial Literacy (2102335, 2102345) Government (2106310, 2106320)

This year's adoption process is being coordinated by Dr. Elizabeth Pruitt (Elizabeth.Pruitt@stlucieschools.org) who is serving as the facilitator of the instructional materials adoption. St. Lucie Public Schools is a closed district. During this process, please adhere to the following guidelines:

- Do NOT visit the schools or contact teachers via email, phone, or mail during our adoption process regarding the materials up for adoption.
- Committee members and teachers are not permitted to receive any items from the publishers. All items will be provided in an electronic or digital format per Section 1006.29(3)(b), Florida Statutes.

ENTRY REQUIREMENTS

Each publisher intending to participate must submit required documentation to Dr. Elizabeth Pruitt by **Monday, April 3, 2023, by 5:00pm**. Late submissions will not be included in the review process.

- Publishers must submit the following required documentation:
 - SSO/Digital Content Requirements ([Attached Document](#))
 - Access Details URLs – links and credentials to access all digital content (student, teacher) being presented, as well as all Public Access links per Section 1006.29(1)(b), Florida Statutes. These links must be accessible until August 2023.
 - Correlation to State Standards.
 - Correlation to Required Instruction ([Elem](#) | [Middle](#) | [High](#)).
 - Implementation and Training Plan – the plan needs to thoroughly define the publisher’s terms for offering professional development, including the number of sessions offered per year sustained over the adoption cycle and the formats offered for the PD.
 - Scientifically based research documentation (can include EdReports and ESSA Evidence).
 - Evaluation Rubric with publisher notes ([Attached Document](#)).
 - Statement attesting that the materials omit the indicators of special topics ([Attached Document](#)).
 - An itemized materials product list ([Excel File Attached Document](#)).
 - Details of each component included in all bundles (including student editions, teacher editions, workbooks, teaching guides, literature libraries, leveled readers, etc.)
 - Spreadsheet includes:
 - Title of component
 - Course number
 - ISBN of each component (both 10 and 13 digits where applicable)
 - Replacement prices for each component (must match FSBD catalog prices)
 - Implementation Details (please include information that will help the reviewers understand the intent of the component)
 - Is the component print? (yes/no)
 - Is the component replenished annually as a consumable? (yes/no)
 - Is the component readily available online in the digital platform? (yes/no)
 - Student bundle pricing options for 5 years
- If available, print versions of the materials being reviewed should be mailed to Dr. Elizabeth Pruitt at the address indicated on this letter.
- St. Lucie Public Schools does NOT have publishers present live to committee members. Instead, publishers should provide two videos to showcase the products. These video files must be downloadable or have embed links to allow for the video to be shared through our Learning Management System, Canvas.
 - Video 1: Highlight the product and walk through the digital environment (less than 10 minutes)
 - Video 2: Highlight a lesson that showcases the rigor and alignment to the standards. This video can include the usage of effective teaching strategies as listed in the FLDOE’s [Social Studies Instructional Materials Specifications section F](#). (10 minutes)

SELECTION CRITERIA

The instructional materials received in response to this request will be evaluated and ranked, in accordance with the process and evaluation criteria contained below, by the evaluation committee. Responses will be evaluated in light of the material and substantiating evidence presented in the response and not on the basis of what is inferred. Each evaluation committee member shall conduct his or her independent evaluation of the submissions received and score the responses on their merit in accordance with the evaluation criteria set forth in the following table. Each evaluation committee member will review all products submitted for their respective course(s). Point assignments for each evaluation criterion will be at the discretion of each Evaluation Committee member. Point assignments in each of the evaluation criteria will be totaled and then divided by the number of committee members for the average score for each criteria. The average score for each criteria will be added together for a total score, not to exceed the total points listed below.

Criteria	Maximum Points
Content	84
Presentation	28
Learning	56
Total	168

MATERIALS | SERVICES FOR AWARDED PUBLISHERS

The awarded publisher will provide the following materials and services for St. Lucie Public Schools:

- initial, follow-up, and content-specific training to K-12 Social Studies teachers, leaders, instructional coaches and administrative personnel for the life of the adoption on print and digital resources;
- all adopted products will be available to purchase through the Florida School Book Depository (FSBD) for the duration of the adoption cycle and have the option to ship through the FSBD;
- access to online materials prior by August 1 to ensure teachers can plan if shipments are delayed;
- digital and print product purchasing options (wherever available) for all K-12 students materials to accommodate IEP/504 plans;
- offline content access solution for all purchased or bundled core digital content;
- accommodate fluctuations in student enrollment over the course of the adoption by allowing licence counts to swap between grade levels of the related product;
- notification to SLPS in a proactive manner when rostered counts exceed the original purchased counts in order to avoid any interruption in service;
- notification to SLPS in a proactive manner when updates/changes are made to the product or online environment;
- data analysis and constructive feedback on the fidelity of implementation as requested; and
- online formative assessments aligned to Florida Standards for the purpose of on-going progress monitoring.
