9th: Freshmen Seminar–aligned with current course objectives and purpose and required for 9th graders except for one school in which case the HOPE will be used (content standards align).

10th: World History- minimal impact to courses with standardized assessments, required for all 10th grade students.

11th : English III – minimal impact to courses with standardized assessments and required for all 11th grade students.

12th: English IV – minimal impact to courses with standardized assessments and required for all 12th grade students.

Substance Use and Abuse Health Education Implementation Plan

Please describe the methods for delivering the instruction for each grade level.

Grades K-5 will have lessons delivered by Classroom Teachers or PE Teachers through direct instruction with a self-paced computer program embedded.

Grade 5 will have lessons delivered by Student Assistance Program Counselors from New Horizons during scheduled times throughout the school year.

Grades 6 – 12: Students will independently complete self-paced computer program modules that provide age-appropriate content. The program will be available on the District’s online portal, so students can access the program either at school or home. An administrator portal enables a certified teacher to monitor each student’s progress. Traditional classroom lessons will extend the learning and allow for classroom discussion. These lessons will be delivered by Certified School Counselors, School Social Workers and Teachers. Additionally, assemblies are conducted when community-based experts are utilized for portions of content.

Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.

Grades K-5. will use the Kidshealth.com website for lessons that address substance use and abuse related to alcohol, nicotine, and drugs. The three lessons use articles, discussion, and activities as part of their Health Problem Series and include a Teacher’s Guide. Teachers will also use Suite 360 lesson entitled Substance Abuse Prevention.

Grade 5 will utilize the Too Good for Drugs curriculum provided by the Mendez Foundation. Lessons are interactive for students and allow for discussion.

Grades 6-12 will utilize computer-based modules from Suite360 and extended classroom lessons to deepen learning. Drug Abuse Drug Association: DATA contracted agency that works with high schools and Project Success: DATA contracted agency works with Middle School to provide additional supports as needed for students.
