

District Approved Vehicle Repair/Maintenance Vendors:

The following companies are approved/awarded on a competitive bid to provide towing, maintenance and repair services for the District’s fleet.

Please only use the approved vendors on this list. If you need services not provided by the vendors on this list, please contact Purchasing.

All services must have a purchase order issued PRIOR to services being delivered. We suggest setting up a PO at the beginning of the year for regularly scheduled maintenance (i.e. oil changes).
