

## High School Program Quick Reference Guide

St Lucie Public Schools offers a broad variety of course pathways for high school students. Please review the school's curriculum guide for detailed information. This quick reference guide is to give you a snapshot at a glance to help guide your research regarding high school offerings. This guide includes Career Technical Programs (CTE) at each school and identifies Magnet and Attractor programs available for high school students.

All SLPS high schools below offer **college level academic courses** through Cambridge Advanced Certificate of Education (AICE), Advanced Placement (AP), or Dual Enrollment. Lincoln Park Academy also offers International Baccalaureate (IB).

\*Attractor programs are programs that students can apply to regardless of address. Transportation is provided with entry to an attractor program. FPC is home to the Embry-Riddle Aerospace Academy and Port St Lucie High is an Arts attractor school.

\*\* Magnet programs are unique school-wide designations and programs that include curriculum pathways and unique features. Acceptance into a magnet school includes district-wide transportation regardless of address. Lincoln Park Academy and Fort Pierce Westwood Academy are magnet schools.

*Transportation is provided through community hubs.*

All SLPS high schools below offer **college level academic courses** through Cambridge Advanced Certificate of Education (AICE), Advanced Placement (AP), or Dual Enrollment. Lincoln Park Academy also offers International Baccalaureate (IB).
