

St Lucie Public School Athletic Fee Schedule

2026-2027

For the 2026-2027 school year, the below fee schedule will go into effect for interscholastic athletics/extracurricular activities that begin after the date of Board approval, September 8th, 2026. Every year thereafter, the fee schedule will be approved prior to July 1 and posted prior to the start of the school year.

The fee schedule for athletics/extracurricular activities will be administered as follows:

- **\$50 per high school sport/activity** = Public school, charter school, traditional home school, Florida Virtual School and alternative school students.
- **\$400 per high school sport/activity** = Private school students and Personalized Education Program/Family Empowerment- Unique Abilities home school students.
- **\$50 per year for middle school sports/activities (non-FHSAA)** = Public school, charter school, traditional home school, Florida Virtual School and alternative school students.
- **\$400 per year for middle school sports/activities (non-FHSAA)** = Private school students and Personalized Education Program/Family Empowerment- Unique Abilities home school students.

Notes:

Students must meet all eligibility requirements for participation.

No fees will be charged until after the student athlete makes the official team roster.

For any student enrolled in a course through the school district A La Carte program for which there is a corresponding extra-curricular activity, the fee is incorporated into the tuition for the course.
