

Reset your password from anywhere! No longer need to be on an SLPS owned computer!

In order to provide users with more flexibility and the ability to keep their passwords updated we have a new password reset portal which allows users to reset their password from anywhere.

Click the link here to be taken to our SLPS Website and follow the Password registration link from there.

You will first need to register.

don't lose access to your account!

To make sure you can reset your password, we need to collect some info so we can verify who you are. We won't use this to spam you - just to keep your account more secure. **Your admin requires you to set up at least 2 of the options below.**

- 1 Authentication Phone is not configured. Set it up now
- 1 Authentication Email is not configured. Set it up now
- 1 Security Questions are not configured. Set them up now

Set up 2 of the 3 verification options. You do not need all 3.
