Re: Notice of Intent to Award  
ITB 25-10E Cabling Labor and Materials

It is the intent of St Lucie Public Schools to award ITB 25-10E to the vendors listed below. The bid was ranked on lowest total overall cost. This bid will be awarded to two (2) contractors, a primary and one (1) alternate. The primary contractor will be requested to perform the work required for all e-rate projects and projects with an estimated cost of \$5,000.00 or less. Each project estimated to be over \$5,000.00 (and not an e-rate project) will be given to all awarded contractors to quote as specified. The quote most advantageous to the Board, at its sole discretion, will be selected

The primary contractor will be Network Cabling Solutions and the alternate is Gerelcom, Inc. Contract awards by St. Lucie Public Schools are subject to successful negotiations and School Board approval.

#1 Ranked: Network Cabling Solutions (Primary, all e-rate work)

#2 Ranked: Gerelcom, Inc. (Alternate, non e-rate only)

Thank you all for your participation in the selection process and your interest in working with St. Lucie Public Schools.

Please feel free to contact me if you have any questions.

Sincerely,

*Kimberly Albritton*
