Q1. I have a quick question in regards to the Manufacture Category 2 pricing Schedule (see screenshot below). In this category all items listed are from the manufacturer JTM. Will you allow other manufacturers to bid on it? If yes, then will you expect all manufacturers to bid on ALL the items (i.e. from lines 13-26)

A1. No, all these items are pre-approved and student test.

Q2. For commodity code 110242, there are three items listed in the pricing schedule. Will you accept a bidder to bid on just one item from this category?

A2. Products are divided by manufacture and commodity code; each category will be awarded to the same bidder.

Q3. For lines 19-26 (commercial non-commodity processed items) – will you accept a bidder to bid on just one or two items (and not all of the items)?

A3. No both are awarded together to grantee a consistent product for our customers.

Q4. I noticed on Attachment H – pricing Schedule (Manufacture Category 2) that the code number for JTM's Three Bean Chili is incorrect. The correct code for that product is 5383. 5730 is Three Cheese Sauce. Will you issue a new spreadsheet, or should we correct the code?

Please correct the code and submit all specification sheets that match the code.

A4. Please provide the correct code and product specification sheet

Q5. Regarding Attachment C Page 26-is someone from Foster Farms required to get this fingerprinting done or does this only pertain to the long haul drivers?

A5. Jessica Lunsford is required for any vendors that would be entering a school campus.
