ATTACHMENT J - BUY AMERICAN CERTIFICATION

To the Vendors

By the requirements of the Richard B. Russell National School Lunch Act's (NSLA) Buy American provision that school food authorities (SFAs) must follow these guidelines when purchasing food and food products for use in the Child Nutrition Programs. Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336) added a new provision, Section 12(n) of the NSLA (42 USC 1760(n)), requiring SFAs to purchase domestically grown and processed foods, to the maximum extent practicable. Section 12(n) of the NSLA defines "domestic commodity or product" as one that is produced and processed in the United States substantially using agricultural commodities that are produced in the United States. The legislation notes that "substantially" means that over 51% of the final processed product consists of agricultural commodities that were grown domestically. There is two situations which may warrant a waiver to permit purchases of foreign food products include: 1) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a U.S. product is significantly higher than the foreign product. Definition of end products is a two-part test to define end product: (1) the product must be manufactured in the United States; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components. On behalf of St Lucie County School District we require that suppliers certify the percentage of U.S. content in products supplied to us. If you are unable or unwilling to make such certification, we will not be able to purchase products from you.

Please complete one form per product.

We certify that our _____ (product name)
_____ (manufacturer name)
has at least _____% U.S. content.

**EXAMPLE: We certify that our CORN (product name)
GREEN GIANT (manufacturer name)
has at least 82% U.S. content.**

Presented in accordance with 40CFR S763.84 (d) as published in the Federal Register,
Vol. 52, No. 210, October 30 1987, p. 41848

Pursuant to federal law, short-term workers such as contractors, consultants, subcontractors and all employees of the aforementioned and other short-term workers, hereinafter known as the PROVIDER, are hereby informed that asbestos containing materials, hereinafter known as ACM, may be present at some sites owned by the DISTRICT.

At each facility there is a document commonly known as the Management Plan hereinafter known as PLAN, which identifies the type amount and location of ACM within the facility. PLAN is updated periodically to reflect changes in asbestos condition, asbestos removals, and asbestos repairs.

It is imperative that PROVIDER ensure that its employees are aware of and instructed to seek the PLAN, through the office of the school/facility administrator, before commencing any activity that might deliberately or inadvertently disturb ACM.

Federal Law, EPA regulations, Florida DER regulations, and DISTRICT management prohibit the disturbance of ACM by any individual who is not accredited under the Asbestos Hazard Emergency Response Act of 1986 (AHERA), further the legal disturbance of ACM must be coordinated through and approved by DISTRICT'S Asbestos Program Manager(s) and evidence thereof must be obtained by PROVIDER in writing, prior to the commencement of work.

The management of PROVIDER must certify, in writing, in a form acceptable to the DISTRICT, that all employees of said management have been made aware of the existence of the PLAN available at each facility, further that said employees have been directed to consult the PLAN before performing any service which could, deliberately or inadvertently, disturb ACM.

The provisions of this document shall survive the closing and performance of any contract, bid request, request for proposal, purchase order, informal request involving PROVIDER'S visit/inspection of DISTRICT'S facilities, and subsequent correction of defects, providing corrective action, warranty service and/or maintenance service.

Inasmuch as PROVIDER may, from time to time, perform services to and for DISTRICT, it is intended that this notification stand in perpetuity and refer to each and every facility and any/all equipment owned and/or operated by DISTRICT.

EXECUTE BUT DO NOT DETACH

PROVIDER acknowledges having read and understood the foregoing and will ensure that all of PROVIDER'S employees understand the provisions set forth herein, and seek the PLAN for each school/facility and other wise comply with all provisions hereinbefore described.
