RE: ITB 23-14 Mowing Services

## **ADDENDUM 1**

This addendum is issued as a part of the aforementioned ITB. The changes incorporated herein are an amendment to and supersede those conditions shown in the original solicitation. The Proposer shall acknowledge receipt of this addendum by signing this form and returning with their submittal. Failure to do so may subject Proposer to disqualification.

- Q1. Would it be possible to receive a copy of the bid tabulation for the last time this project was open for bidding?
- A1. Yes attached.
- Q2. We are bidding for the mowing at the schools. I have a question about Francis K Sweet, does the property line end at the west side of N 13th or does it end at the near the canal bank? If you have maps with property lines that would be a big help for all the properties.
- A2. For F.K. Sweet we mow from the front of the school on Avenue Q the fence to the West of the property, to the fence going around the Security trailer on the North, and to 13th street on the East side. We do not have maps available as requested.
