Q1. What would be the hours that the students would attend the summer program? Would students have access to computers?

A1. Hours have not been determined at this time. Yes, students will have access to computers.

Q2. We have an extended learning program that can include ELA alone, Math alone, or both ELA and Math. Should we separate the ELA from the Math and submit two bids? Or is there a way to submit a single, combined ELA/Math narrative and pricing?

A2. Please submit for each subject area independently.

Q3. Do you need three questionnaires returned and also a recommendation letter? Or is the questionnaire instead of a letter?

A3. No, three references are required. Vendors may use either format.

Q4. Do the questionnaires need to be from districts in Florida?
