

**LAWNWOOD ELEM AND ST. LUCIE ELEM PRIMARY WALK AREA**

-  FLAT PRIMARY WALK AREA
-  SIDEWALK
-  PRIMARY WALK AREA
-  CROSSING GUARD

The primary walk path is one available path that is shown on the map. Parents/Guardians and students must make their own assessment and determine the correct path for the student based upon parental supervision, student age, and understanding of the traffic issues. Parents/Guardians must also be aware of changing roadway and traffic conditions and make route changes as hazards develop.

**\*\*\*\* OTHER SERVICES OFFERED\*\*\*\***

Safety items such as reflectors and reflective gear are available from the St Lucie Transportation Planning Organization (TPO) at (772) 462-1593.

The Florida Department of Transportation provides a Parent/student information exchange for families who want to share rides to school or develop walking/biking groups. Please contact South Florida Commuter Services School Pool program online at [www.goschoolpool.com](http://www.goschoolpool.com) or Call 1-800-234-RIDE (7433) to get started.
